

Marion Body Works Charitable Giving Request Form

Just as Marion Body Works builds strong truck bodies and vehicles, we also believe in building strong communities. We know that a healthy and growing business also helps support the communities where we work and live. Our community charitable giving reflects our business philosophy and focuses on how we can make the most difference in peoples' lives.

Every year, Marion receives proposals for many worthy causes and events. It is heartwarming to know that many organizations are working hard to make a positive difference in our communities and we strive to select initiatives that best match our charitable giving priorities.

Organization: _____

Contact Name: _____

Contact Email: _____
