

MARIONBODY.COM • 715-754-5261

BUILT TO LAST

Chassis front frame, rear frame, & understructure are hot dip galvanized, no peeling paint or rusting.

POWER IN PARTNERSHIP

Family owned means taking time to understand the needs of your fleet.

RUGGED CONSTRUCTION

7 gauge steel lower side rails, rear frame, outer posts, inner reinforcements, & threshold supports offroad forklift use.

CUSTOM BUILT, NOT KIT BUILT

Choose from a variety of colors, sizes, and load secure options. Create custom graphics & have curtains on one or both sides.
